

Cookie Policy

Our system will issue cookies to your computer when you log on to the website. We use cookies on our site to: make it easier for you to log on; cut down the number of times you have to type in certain data; record the success of advertising, to target advertising and to track visitor usage.

The cookies used on the website do not collect your personal information. Some of our web pages may contain invisible electronic tags that allow us to count users that have visited certain pages. You cannot be identified by these tags and they are not issued by us but by the relevant advertising provider.

Some of the cookies are strictly necessary for the functionality of the site while others are used to enhance the performance and your user experience. If you choose not to use cookies during your visit, you should be aware that certain functions and pages will not work as expected.

By using MyLingoTrip.com you consent to the use of cookies in the manner described above.

How to provide or withdraw consent to the installation of Cookies

In addition to what is specified in this document, the User can manage preferences for Cookies directly from within their own browser and prevent – for example – third parties from installing Cookies.

Through browser preferences, it is also possible to delete Cookies installed in the past, including the Cookies that may have saved the initial consent for the installation of Cookies by this website.

Users can, for example, find information about how to manage Cookies in the most commonly used browsers at the following addresses: [Google Chrome](#), [Mozilla Firefox](#), [Apple Safari](#) and [Microsoft Internet Explorer](#).

With regard to Cookies installed by third parties, Users can manage their preferences and withdrawal of their consent by clicking the related opt-out link (if provided), by using the means provided in the third party's privacy policy, or by contacting the third party.

Notwithstanding the above, the Owner informs that Users may follow the instructions provided on the subsequently linked initiatives by the [EDAA](#) (EU), the [Network Advertising Initiative](#) (US) and the [Digital Advertising Alliance](#) (US), [DAAC](#) (Canada), [DDAI](#) (Japan) or other similar services. Such initiatives allow Users to select their tracking preferences for most of the advertising tools. The Owner thus recommends that Users make use of these resources in addition to the information provided in this document.
